INDUSTRY and TRADE LTD. CO.

ABOUT US

Years full of experience from generation to generation...

Since 1976

We continue to lead the industry with our offset and digital printing solutions.

In our 1500 m2 closed and 800 m2 open production area,
with our state-of-the-art printing and
finishing systems, with our experienced colleagues,
and by adopting the ideology of high quality and low cost,
we become a solution partner in many sectors.
